Hello Petersen Ranch IRT,

The BEI and CE for the spineflower amendment has been reviewed by counsel from USACE and CDFW. I've attached them here. There are a few items that will need to be worked out between the two, but there are also multiple comments addressed to us and also to the bank sponsor that I was hoping we could get a jump on. There are two options. We could have an IRT only call to go through these so that we can present them to the bank sponsor group at our next meeting, which is this Thursday. Please let me know if that's possible for you. I have availability today at 4 🕒, tomorrow 3-5, 27th from 8:30-2, and the 28th from 1-2. If not or if it makes more sense, we can go over the non-legal questions during the regular call on Thursday and anything we need to confer on separately, we can do so after.

Thank you,

Lisa
